

BLUE WAVE LAUNDRY POWDER PB39

General Purpose Laundry Powder

BLUE WAVE LAUNDRY POWDER PB39 is a pleasantly perfumed, medium foaming laundry powder formulated to clean, brighten and care for your clothes. Cotton and Polyester/Cottons come out cleaner and brighter.

BLUE LAUNDRY POWDER PB39 is suitable for both front and top load machines. It combines powerful alkaline salts, biodegradable surfactants, soil suspending agents, water softeners, corrosion inhibitors and builders to remove most soils from clothes.

BLUE LAUNDRY POWDER pb39 is DESIGNED:

- To dissolve quickly and completely in hot or cold water.
- To rapidly wet, penetrate and degrade proteinaceous soils, fats, oils, greases and other soils commonly found in the food processing and allied industries.
- To maintain its high-performance characteristics when used in hard water.
- To suspend dislodged soils, thereby increasing the efficiency of subsequent rinsing operations.
- To contain only biodegradable surfactants.

CHEMICAL AND PHYSICAL PROPERTIES

Appearance:	Blue powder
Flash Point:	Non-flammable
Odour:	Lavender
pH (1% solution):	10 - 11

DIRECTIONS FOR USE

For best results, separate clothes into piles according to colour, fabric type and dirtiness. Dissolve powder in water before adding to the wash. Treat stains by soaking overnight.

Top loading automatics	Use 1/4 to 1/2 cup
Front loading automatics	Use 1/4 to 1/3 cup
Twin tub models	Use 1/4 to 1/3 cup
