

# SUPER DETERGENT LN41

## Medium Duty Dishwashing Liquid & General Purpose Detergent

**SUPER DETERGENT LN41** is a concentrated manual dishwashing detergent recommended for use when handwashing dishes, cutlery, and glassware.

**SUPER DETERGENT LN41** combines concentrated surfactants to cut through grease and food soils whilst not irritating the user's skin.

**SUPER DETERGENT LN41** rinses readily from cleaned surfaces leaving them free from spotting and streaking. It is recommended for use in establishments which require quick turnaround of tableware with excellent results.

**SUPER DETERGENT LN41** also makes a good general purpose detergent for the cleaning of all hard durable surfaces.

### **SUPER DETERGENT LN41** is DESIGNED:

- To rapidly wet, penetrate and degrade greases and food soils commonly found in hospitality and allied industries.
- To rinse readily and not leave any residual odours.
- To maintain its high performance characteristics when used with hard water.
- To be corrosion safe on all materials.
- To be high foaming thereby maximizing efficiency.
- To be economical in use.
- To contain only biodegradable surfactants.
- To be safe and not to irritate the user's skin.
