

MORNING BRITE LN489

Concentrated Dishwashing Liquid and General Purpose Detergent

MORNING BRITE LN489 is a super strength manual dishwashing detergent with superior care to the skin. Ideally suited for handwashing dishes, cutlery and glassware.

MORNING BRITE LN489 will rapidly cut through grease and food soils while not irritating the user's skin. It rinses readily from cleaned surfaces leaving them free from spotting and streaking.

MORNING BRITE LN489 also makes a good general purpose detergent for the cleaning of all hard durable surfaces.

MORNING BRITE LN489 is DESIGNED:

- to rapidly wet, penetrate and degrade greases and food soils commonly found in hospitality and allied industries.
- to rinse readily and not leave any residual odours
- to maintain its high-performance characteristics when used with hard water
- to be corrosion safe on all materials
- to be high foaming thereby maximizing efficiency
- to be economical in use
- to contain only biodegradable surfactants.
- to be safe and not to irritate user's skin
