

FLOOR STRIPPER LB60

FLOOR STRIPPER LB060 is a high performance, concentrated floor stripper that is safe to use on all pre-sealed and sealed timber floors, sealed parquetry and sealed cork.

FLOOR STRIPPER LB060's powerful action is designed in ripping through old polish and wax build ups of hardened floor seals.

CHEMICAL AND PHYSICAL PROPERTIES

Appearance:	Clear, thin colourless liquid
Flash Point:	>100 °C
Density:	1.03-1.05
Solubility in water:	Soluble in all proportions
pH of 1% solution	10.5 - 12

DIRECTIONS FOR USE

Dilute 1 part of **FLOOR STRIPPER LB060** with 4 parts of hot water.

Mop the solution over the floor and leave for 3-5 minutes.

Scrub the old floor polish off, using a scrubbing machine or Doodle Bug, then mop dry.
