

FOREST PINE LB737

Disinfectant, Cleaner and Reodourant

Pine Fragrance – Kills 99% of germs

FOREST PINE LB737 is a powerful re-odouriser and general purpose cleaner.

FOREST PINE LB737 is recommended for use in institutional, commercial and industrial situations or whenever it is desirable to clean and re-odourise in a one easy operation.

FOREST PINE LB737 is DESIGNED:

- to rapidly wet, penetrate and degrade greases and soils commonly found in hospitality and allied industries
- to rinse readily and leave a fresh pine residual fragrance
- to maintain its high-performance characteristics when used with hard water
- to be corrosion safe on all materials
- to be high foaming thereby maximizing efficiency
- to be economical in use and to contain only biodegradable surfactants.
- to be safe and not to irritate user's skin
