

PINK PEARL LN772

Lotionised Liquid Hand Soap

PINK PEARL LN772 is a hand cleaner designed specifically for use in the hospitality industry.

PINK PEARL LN772 's gentle cleaning action will remove all soils normally encountered while its neutral pH and carefully selected skin conditioners leave hands feeling soft and supple. This factor is of particular importance when rigorous and frequent washing is demanded by stringent hygiene and quality control programs.

PINK PEARL LN772 has been DESIGNED:

1. to rapidly penetrate, dissolve and remove all soils usually encountered in the hospitality industry.
2. to leave hands feeling soft and supple, thereby making hand washing a pleasant experience for the user.
3. to work well in both hard and soft water areas.
4. to be economical in use – **PINK PEARL LN772** is a viscous liquid which means controlled delivery from dispensers.
5. to rinse freely from cleaned hands leaving them tack-free after drying.
6. to be readily biodegradable, non-hazardous and non-toxic.

CHEMICAL AND PHYSICAL PROPERTIES

Appearance:	Pink, viscous liquid
Flash Point:	Non-flammable
pH (undiluted):	5 - 7
Odour:	Slightly perfumed
Foam Characteristics:	Good
Specific Gravity:	1.0
