

PALMS FOAMER LN1503

**Liquid Hand Soap dispensed as a foam
that delivers economy.**

PALMS FOAMER LN1503 is a lotionised hand cleaner designed specifically for use within the food and allied industries.

PALMS FOAMER LN1503 powerful cleaning action will remove all soils normally encountered in the food industry while its near neutral pH and carefully selected skin conditioners leave hands feeling soft and supple. This factor is of particular importance when rigorous and frequent washing is demanded by stringent hygiene and quality control programs. **PALMS FOAMER LN1503** works because personnel will want to wash their hands.

PALMS FOAMER LN1503 is economical as each pouch will deliver 1300 washes, compared to approx.. 320 washes for traditional liquid dispensers.

PALMS FOAMER LN1503 has been DESIGNED:

- to rapidly penetrate, dissolve and remove all soils usually encountered in the food and allied industries.
- to leave hands feeling soft and supple, thereby making hand washing a pleasant experience for the user.
- to rinse freely from cleaned hands leaving them tack-free after drying.
- to be readily biodegradable, non-hazardous and non-toxic.
