

CLEAN ULTRA LN1565

Neutral floor cleaner for vinyl, lino or rubber flooring

CLEAN ULTRA LN1565 is a concentrated neutral detergent that can be applied with automatic scrubbing machines or by mopping. When used as recommended it will not damage or soften floor polish.

CLEAN ULTRA LN1565 is suitable for use on vinyl, lino or rubber flooring.

CLEAN ULTRA LN1565 is also suitable for use on walls and benches.

FEATURES

- It will rapidly clean vinyl floor tiles without damaging or softening polish.
- It is free rinsing and leaves surfaces streak free.
- It is user friendly and safe to use. It has a mild, pleasant perfume.
- It is free of harsh solvents and caustic compounds.
- It maintains its high-performance characteristics when used in hard water.
