

THICK LIQUID TOILET SOAP LN50

Liquid Hand Soap (*Apple Scented*)

THICK LIQUID TOILET SOAP LN50 's powerful cleaning action will remove all soils normally encountered in the food industry while its near neutral pH and carefully selected skin conditioners leave hands feeling soft and supple. This is particularly important, when rigorous and frequent washing is demanded by stringent hygiene and quality control programs.

THICK LIQUID TOILET SOAP LN50 works because personnel will want to wash their hands.

THICK LIQUID TOILET SOAP LN50 has been DESIGNED:

- to rapidly penetrate, dissolve and remove all soils usually encountered in the food and allied industries.
- to leave hands feeling soft and supple, making hand washing a pleasant experience
- to work well in both hard and soft water areas.
- to be economical in use - **THICK LIQUID TOILET SOAP LN50** is a viscous liquid which means controlled delivery from dispensers.
- to rinse freely from cleaned hands leaving them tack-free after drying.
- to be readily biodegradable, non-hazardous and non-toxic.
