

# ENVIRO PTC LN578

## Disinfectant Cleaner and Deodorant for Portable Toilets

**ENVIRO PTC LN578** is formulated from more environmentally friendly chemicals than most portable toilet cleaners. It does not contain formaldehyde, so it is more user friendly than formaldehyde containing disinfectants.

**ENVIRO PTC LN578** has a pleasant, long lasting perfume and is effective at low concentrations. It has approvals from SA Water and Sydney Water for the discharge of working strength solutions into their sewage systems.

### CHEMICAL AND PHYSICAL PROPERTIES

Appearance:	Thin dark blue liquid
Flash Point:	Non-flammable
pH (1% solution):	7 - 9
