

ETHANOL 70% LS1196

Multi Purpose Cleaning Solvent

ETHANOL 70% LS1196 is suitable for solvent cleaning of windows, glass, bench tops, fabric and furs.

ETHANOL 70% LS1196 can also be used as a *non-rinse* sanitiser for **food contact surfaces**, as it evaporates rapidly without leaving a toxic residue.

CHEMICAL AND PHYSICAL PROPERTIES

Appearance: Clear liquid
Flash Point: Flammable

DIRECTIONS FOR USE

ETHANOL 70% LS1196 is used neat by spraying or immersion, then left to dry by evaporation.
