

# TILE & GROUT LB236

**TILE & GROUT LB236** has improved performance at removing soils especially soap scum from hard surfaces such as tile and glass. It acts markedly faster than conventional formulations. It also acts on oily and particulate soils.

**TILE & GROUT LB236** is free rinsing and leaves the surface bright and shiny. It is low foaming and suitable for use with scrubbing machines.

**TILE & GROUT LB236** is mildly alkaline and free of chlorine bleach so it can be used where tiles adjoin carpet without bleaching the carpet.

## CHEMICAL AND PHYSICAL PROPERTIES

Appearance:	Clear, pale red liquid
Odour:	Mild ammonia smell
