

# SUGAR SOAP LB44U

## Neutral Spray and Wipe Cleaner

**SUGAR SOAP LB44U** is a complex blend of non-hazardous ingredients, which have been carefully selected to produce a powerful neutral industrial strength cleaner and versatile water based degreaser which does not contain harsh solvents or alkalis.

**SUGAR SOAP LB44U** is recommended for the spray-on and cleaning and degreasing of machinery, equipment, work benches, counters, desks, most painted surfaces and all other surfaces commonly encountered in industrial, commercial, food processing plants and institutional situations.

**SUGAR SOAP LB44U** is safe on most good quality painted surfaces. It is the user's responsibility to confirm the suitability of this product for use on the painted surface in question.

### **SUGAR SOAP LB44U** is **DESIGNED:**

- to rapidly cut, dissolve, emulsify and remove oil, grease, grime, smoke stains, exhaust fumes, light carbon deposits, tobacco smoke stains, lipstick, finger marks and some types of ink.
- to be near neutral in pH so it is safe on user's hands.
- to be safe on all hard surfaces commonly found in industrial, commercial and institutional situations, and free of builder salts to not dull shiny surfaces.
- to be readily biodegradable, non-hazardous and non-toxic

### **CHEMICAL AND PHYSICAL PROPERTIES**

Appearance:	Clear liquid
Flash Point:	Non-flammable
Odour:	Slight glycol
Specific Gravity:	1.0
pH:	6 - 8

### **DIRECTIONS FOR USE**

**SUGAR SOAP LB44U** can be applied with a hand sprayer - simply spray-on and wipe off.

Depending on soil type and loading, **SUGAR SOAP LB44U** may be used neat or diluted with up to 20 parts water (typically recommended to dilute 1 part product to 4 parts water).

1. Dilute product in handsprayer and apply to surface to be cleaned
2. Allow several seconds contact before wiping with a clean sponge, rag or scourer
3. Rinse if necessary.
